Fulfilling the promise of the Millennium Declaration: The MDG Achievement Fund experience

On the occasion of the 68th Session of the United Nations General Assembly, the Permanent Mission of Spain to the United Nations and the United Nations Development Programme are honored to invite you to a side event.

This event will showcase the results, success and mechanisms of the **Millennium Development Goals Achievement Fund (MDG-F)** (www.mdgfund.org), one of the largest, most comprehensive and collaborative development efforts devised to support MDG attainment.

The MDG-F's 130 joint programmes in 50 countries across the world have captured lessons which can inform the evolving post-2015 development agenda. We hope you can join the many MDG-F partners at this event.

Please RSVP by Friday, September 20th: event2013@mdgfund.org and marta.pico@maec.es.

The event, taking place in UN Conference Building, **ECOSOC Chamber** of **New York**, will be available via live stream and Twitter. We look forward to seeing you there.
